Director's Message

Dear All,

Welcome to Addii Biotech Pvt. Ltd. It is my privilege to share with you the journey, vision and mission that drive our organization towards excellence in the pharmaceutical industry.

At Addii Biotech, our foundation is built on the commitment to improve lives through innovation, collaboration and a patient-centric approach. From the very beginning our vision has been clear to provide high-quality, affordable medications that address some of the most pressing healthcare challenges globally.

As we continue to grow, our aim remains steadfast—to be recognized not only as a leading Indian pharmaceutical company but also as a global player dedicated to delivering quality healthcare solutions.

Everything we do at Addii Biotech is centred on the well-being of those we serve. We understand the challenges patients face when accessing safe and effective treatments and we are committed to bridging that gap by providing solutions that are not only innovative but also accessible and cost-effective.

As we continue our journey, I am incredibly proud of what we have accomplished so far and excited about the future. Our unwavering focus on ethical practices, transparency, and patient-centric Innovation drives every decision we make. We are committed to pushing the boundaries of pharmaceutical research, addressing unmet medical needs, and ultimately transforming lives.

I extend my deepest gratitude to our dedicated team, partners, and customers for their trust and support in making Addii Biotech what it is today. Together, we will continue to shape a healthier future, one that is defined by scientific progress, quality healthcare, and a commitment to sustainability.

Thank you for being a part of our journey.

Warm Regards

LALIT DOGRA

Managing Director

Addii Biotech Pvt. Ltd.

Who We Are...

ADDII BIOTECH PVT. LTD. is the fastest emerging well-known ISO 9001-2015, certified & WHO-GMP approved company. ADDII BIOTECH PVT. LTD. also received approvals from several international regulatory authorities like FDA- GHANA and DDFC MOH- CAMBODIA.

ADDII BIOTECH PVT. LTD. was incorporated in 2010 is now one of the leading pharmaceutical companies from India.

ADDII BIOTECH PVT. LTD. is Chandigarh based company having manufacturing facility in Tehsil Baddi, Distt Solan Himachal Pradesh-173205 with proven capabilities in the areas of product research, manufacturing & marketing.

Our Mission

is to emerge as one of the fastest-growing and most recognized company in the Indian pharmaceutical industry with the goal of capturing a significant market share across India by 2030.

Our Vision

is to become a global pharmaceutical company dedicated to improving health and enhancing the quality of life through superior products and services.

Our Core Values

are the foundation of our organizational identity, guiding our actions internally and externally. These principles define our work ethic, leadership, approach in achieving success and reflect our commitment to excellence and integrity.

Our Product Portfolio

Beta Lactam : Tablet/ Capsule/ Dry Syrup

A specialized unit is dedicated for the manufacturing of high-end Beta-Lactam molecules in different dosage forms like tablets, capsules, and dry syrups. Each formulation we produce is made using high-quality active pharmaceutical ingredients, ensuring top-notch efficacy and safety.

General : Tablet/ Capsule/ External Preparations

Addii Biotech, specializes in producing high-quality tablets, capsules, ointments, and other external preparations in the general category.

Adding Value in Pharmaceuticals

Partnering Quality Healthcare Services across specialities

Overseas & Domestic Operations

ADDII BIOTECH PVT. LTD.

ADDII BIOTECH PVT. LTD. is a strong marketing company with PAN India Ethical operations.

One of the India's fastest-emerging and most renowned pharmaceutical company with prestigious certifications such as ISO 9001:2015, WHO-GMP, FDA-GHANA, DDFC MOH-CAMBODIA.

Our comprehensive product portfolio spans a wide range of therapeutic areas, including Anti- Diabetics, Anti-Hypertensives, Anti-Depressants, Antibiotics, Gastroenterology, Neurology, Nephrology, Autoimmunity, Pain Management, and General Drugs. This diverse range underscores our commitment to addressing the healthcare needs of patients across various medical disciplines.

Since our establishment in 2010, ADDII BIOTECH has evolved from a marketing company with ethical operations across 15 states in India into a dynamic, research-driven enterprise. What began as a modest venture has grown into a thriving force in the pharmaceutical industry, making significant strides in both marketing and research as we continue to move up the value chain.

THIRD PARTY MANUFACTURING

We are leading manufacturer and working as Third Party / Contract Manufacturer, serving more than 1000+ domestic clients.

We are already catering to the manufacturing requirements of some of the major pharma houses in India like:

Overseas & Domestic Operations

ADDiGEN

ADDiGEN is the generics-focused division of Addii Biotech, committed to delivering high-quality, affordable, and reliable generic medicines that support better healthcare access for all.

In a world where rising healthcare costs can limit treatment options, ADDiGEN stands for accessibility without compromise. Every formulation under the ADDiGEN banner is developed with strict adherence to safety, efficacy, and quality – matching branded counterparts while remaining cost-effective.

ADRIVE PHARMA

Adrive Pharma offers lucrative Pharma Franchise opportunities. Join hands with us for a rewarding partnership in the pharmaceutical industry. Benefit from our extensive product range, marketing support, and competitive pricing.

EXPORT

A fastest growing pharmaceutical company in INDIA, now spreading all over the world.

Addii Biotech Pvt. Ltd. has received approvals by several international regulatory authorities, including the Food and Drugs Authority (FDA) of Ghana and the Department of Drugs and Food Control (DDFC), Ministry of Health, Cambodia.

Beyond these approvals, the company is in the process of expanding its presence to more than 50 international markets worldwide.
